

GRAPHIC

DESIGN for

you may mean little until you think how what you are doing and who you are is only as attractive as the image you convey. And because you do what you do, you know that there are others that might want some too. So, whether your needs are to set up a presence on the World Wide Web or to simply communicate better within your company, I have the experience, knowledge and resources to help you achieve this. If what you desire is a professional and effective display of what you do, then contact me, I'll be sure to put your best face forward.

The frequency of our attunement is much too low - we've got to turn it up! With the right adjustments, your signal can come across with precision and clarity. Let's focus in on what we can do together. With a comprehensive background on all the latest design technology, I can take your vision to the next level. Let's get on the same wavelength together.

Anthony Stephenson • 732-933-4860

Let's Ride the Energy Between Us

STRONG. CONFIDENT. SECURE.

No shifting of the tides can deter you from the feeling that your estate is on solid footing. As tax laws change, you know that Ernst & Young is there to guide you. Your personal objectives combined with our sound financial planning make your path into the future as graceful as your style.

GUARDRAIL/COMMON SENSOR

Welcome to the Guardrail/ Common-Sensor system. These pages will familiarize you with the system, its components, and who make up the Guardrail team.

<http://home.att.net/~rps2.net/GR/GuardrailSECLink/index.htm>

GUARDRAIL/COMMON SENSOR

M. Doe

(XXX)-XXX-XXX Email

Mr. Doe (and the occasional Ms.) used to have a detailed bio here. But the names have been changed to protect the innocent. The picture has changed to keep in character. And, basically we have no information here other than to show you how these pages were visually composed.

The Word ...

Ken Stout has worked on over 160 original shows in the last two years which have all aired on SPEED, ESPN2 & TNN. He is contracted talent for Speed Channel as a Pit Reporter for Marty Reids Championship Off RoadRacing(CORR.) Pro Series and will be the color commentator on the CORR Sportsman series. He will also host the SCCA Pro Rally shows and the IHRA shows on SPEED.

Latest News

Everything is back for the 2005 season that Ken worked on for 2004. That means another 100 plus original productions for 2005. The 2004 season brought the total number of original productions up to 490. One of the big changes for 2005 will be the increase of ASA Speed Truck Challenge shows. The number will go from 6 to 14 shows on The Out Door Channel.

Featured Sponsor

Building a dynamic relationship between the main players. While those at the coal face don't have sufficient view of the overall goals.

Proposed Upgrades to
TMS 1.0.0

Combine KR and TMS

- Define common data items/functionality
- ID tables/procedures for minor re-work
- Remove redundant/obsolete items
- Eliminate necessity of NT user accounts
- Use procedures instead of scripting
